- Shoot photography and videography; handle post-production, manage productions teams
- Liaise with external agency partners to follow up on deliverables
- Support on campaign project planning and tracking as it relates to content and creative standards
- Complete all required process steps to ensure that compliance requirements for creative is met
- Partner with web and social publishing team on asset optimization and hand off
- Provide project management and budgeting support to senior members of the team as needed
- Demonstrated proficiency with AI-tools for content development in production and post-production
- Demonstrate use of and use AI-enabled tools to support content production, planning, and publishing, including structuring and maintaining content so it is accurate, compliant, and discoverable across digital and AI-powered channels.

### Key Performance Indicators

- Designs and produces high-quality visuals across various media ensuring brand consistency and creative innovation
- Publishing requests are created within the appropriate process timeframes and content delivered on time.

### Essential requirements:

- Preferred, Bachelor's degree in Marketing, Design, Advertising, Journalism or related field
- 3+ years experience working in marketing campaign , content creation and execution, preferably working on corporate brands
- Demonstrable experience of successfully managing multiple projects simultaneously
- Experience of managing campaign communications, timelines and budgets

### Skills:

- Advanced proficiency in Adobe Creative Suite (specifically Photoshop, Illustrator, Premiere Pro, After Effects)
- Proficient in utilizing social platform content creation tools
- Experience utilizing large language model AI-driven tools for content creation
- Strategic thinking and analytical skills
- Ability to lead and influence collaborators and agencies without direct line management authority
- Keen eye for detail
- Strong communication and interpersonal skills
- Ability to work effectively in a matrix organization

### Benefits & Rewards

The salary for this position is expected to range between \$98,700 and \$183,300 per year. The final salary offered is determined based on factors like, but not limited to, relevant skills and experience, and upon joining Novartis will be reviewed periodically. Novartis may change the published salary range based on company and market factors. Your compensation will include a performance-based cash incentive and, depending on the level of the role, eligibility to be considered for annual equity awards.

US-based eligible employees will receive a comprehensive benefits package that includes health, life and disability benefits, a 401(k) with company contribution and match, and a variety of other benefits. In addition, employees are eligible for a generous time off package including vacation, personal days, holidays and other leaves.
