At Novartis, we are reimagining medicine to improve and extend people's lives, and business insights play a critical role in helping us achieve that purpose. As a Business Planning & Analysis Manager, you will serve as a trusted finance business partner, delivering insightful analysis, strategic guidance, and decision support that drive business performance.

About the Role

Key Responsibilities

- Partner with business leaders to provide financial insights, strategic recommendations, and decision-making support
- Lead budgeting, forecasting, and strategic planning processes to drive business performance and resource allocation
- Analyze financial results, identify risks and opportunities, and recommend actions to optimize outcomes
- Develop and maintain performance reporting, dashboards, and early-warning indicators to support proactive decision-making
- Ensure accuracy and integrity of financial data while driving continuous improvements in forecast quality
- Evaluate investments, projects, and business cases through robust financial analysis and profitability assessments
- Streamline reporting processes and implement innovative solutions that enhance efficiency and business value

Essential Requirements

- Proven experience in financial planning, forecasting, budgeting, and business performance analysis within a complex organization
- Strong analytical and financial modeling skills with the ability to translate data into actionable business insights
- Demonstrated ability to influence stakeholders and partner effectively with cross-functional teams to drive business decisions
- Experience supporting strategic planning, investment evaluations, and performance management processes
- Fluency in English with strong communication and presentation skills

Desirable Requirements

- Experience within the pharmaceutical, biotechnology, or healthcare industry, with an understanding of commercial and financial value drivers
- Experience with data visualization and business intelligence tools, and applying advanced analytics to support business decision-making

Commitment to Diversity & Inclusion

At Novartis, we are committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.
